

# CONSTRUCTION AHEAD

Beginning this summer, the Idaho Transportation Department will repave Eagle Road from Fairview Avenue to State Highway 44 and add continuous raised medians from Franklin Road to Oakhampton Drive.

## What to expect:

- Eagle Road will remain open at all times. Lanes will be restricted overnight from 9 p.m. to 5 a.m. At least one lane in each direction will remain open during the overnight work. No lane closures or restrictions will occur between 5 a.m. and 9 p.m.
- Access to businesses and residences will remain open from 5 a.m. to 9 p.m. Access may temporarily be restricted during nighttime paving operations.
- The speed limit will be reduced to 45 mph in the construction zone.

## How to stay informed:

- Sign up for email construction updates at [comments@itd.idaho.gov](mailto:comments@itd.idaho.gov)
- Dial 5-1-1 or visit [www.511.idaho.gov](http://www.511.idaho.gov) for traffic alerts

Continuous raised medians with openings will be added to Eagle Road from Franklin Road to Oakhampton Drive.

# Eagle Road Construction Project

## CONSTRUCTION AHEAD

Beginning this summer, crews will repave Eagle Road from Fairview Avenue to State Highway 44 and add continuous raised medians from Franklin Road to Oakhampton Drive.

When complete, the improvements will relieve congestion on Eagle Road and improve safety on this important corridor. Construction is scheduled in three phases:

### Phase 1: Mid-June to Mid-July

Franklin Road to River Valley Street

### Phase 2: Mid-July to Late September

River Valley Street to Oakhampton Drive

### Phase 3: Late September to Mid-November

Oakhampton Drive to State Highway 44

*To reduce traffic interference, crews will complete each phase before moving to the next phase.*

June 2012
